

FINAL EXAMS

DID YOU KNOW

1. **NEW:** Students can **earn three final exam exemptions** per semester.
2. Students **can only exempt exams if they have 90% attendance or above for Quarter 4.** Attendance, discipline or academic problems occurring after the exam exemption is given **may result in loss of the exam exemption.** This includes, but is not limited to referrals, after school detentions, or suspensions.
3. Students **must be passing ALL of their classes** (as calculated by the Semester 2 Grade Average) with at least a 74% or above by Wednesday, June 1.
4. The student **must be earning at least an 84%** in any of the three classes in which he/she wishes to take the exemption. Any student with a Semester 2 GPA of 3.75 or above will be allowed to exempt up to **THREE** exams they have a B or better in.
5. Eligible students will be asked to **choose their courses for final exam exemptions by Friday, June 3.** Students must be present at school in order to choose their exemptions.
6. Students who exempt a course's final exam will receive a Semester 2 grade **based on the average** of their final Quarter 3 and Quarter 4 grades.
