We are working to make up for lost learning and lost opportunities. Every child needs to be in school every day.

- Parents must call in any absence to the main office at 414-873-4014 in order for it to be excused.
- After any absence, students are expected to follow their teachers' absence policies to get notes and make up assignments.
- Parents will be called whenever an unexcused absence occurs; 5 unexcused absences will be reported for truancy.
- Students should not expect additional time or 1:1 tutoring as a result of unexcused absences.
- Even 1 or 2 absences a month can result in chronic absenteeism, which is an early warning sign of academic risk and dropping out of high school. The risk is even greater if the student has been held back a grade before high school or is working outside of the home.
- If your family is experiencing a hardship that is making daily school attendance possible, please meet with the principal.
